“ Jerome, Tuttie, Mary, Michael , Jap and my entire Carlisle / Logan family. I was very saddened to hear my ‘Aunt Honey’ had passed away. It’s painful that I can’t be with you all because of my job but you have my sincere thoughts and prayers. I have way so many wonderful memories growing up with my Carlisle family. Personally aunt honey always made me feel special and that is what I will remember the most and keep in my heart, her loving ways. Tuttie I see that same trait in you. Growing up I was glad to spend the weekends with my cousins because we always got into mischief. Also Aunt Honey lived in several different large houses, I always had fun there. She always made FAMILY a high priority and I think that’s where Jerome got it from. Me, Jerome and Buchey got into so much trouble, but it was all growing up fun. Jerome and I laughed together, had fun together and got our butts spanked together. Jerome thanks for making new memories like when you came for Jeremy’s wedding. I am so glad I got to spend time with aunt honey last summer at tutties home. Tuttie I commend you for taking care of her in her final years. There is a special place in Heaven for you.

*Let’s all stay in touch. Love you all*
