“ *My deepest sympathy and regards to the family of Marcus Moore. I graduated a year after Marcus and Roberto from Southwestern Highschool not Academy. He was a kind, friendly, handsome, and a very good football player. I hate that I could not make it to the funeral today, but I pray for his wife and children to hold on to the many memories that he has left you with and cherish your mother; be there for each other because the healing starts the day after everyone has gone home and all you have left is each other. My prayers are with you all.*
