“ To the family of Marcus,

I am sorry that your family member and friend is no longer with you. Life is a gift from Jehovah God that was never to end. We can gain much hope and comfort knowing God sees our pain, would never cause our pain, but made a provision through the death of His Son so that all living will never see death and any who have died will be reunited with loved ones here on earth. The Bible discusses these promises at Psalms 37:29 and Isaiah 26:19.

I share these verses as they have given me much comfort coping with loss. The Bible is a source of much comfort I would encourage you all to take time to read more of the blessings in store for all inhabitants of the earth.

“ To the Wilson Family:

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our loved ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

Many wonder why we grow old and die. Romans 5:12 answers this question . Its says that because of Adam sinning his punishment was death and sin and death was passed on to all of us. However, our loving God, Jehovah (1John 4:8) made a way out for all of us by sacrificing his only son (John 3:16). God promised us that we will see our loved ones again (1John 5:28,29). for more information go to www.jw.org and you can find answers to any question you may have.

Patricia*
