“ *Boy you always knew how to shock me, you shocked me so many times in life and now I am shocked by your death. I like many could go on and on about the times that we shared. Distance and time may have changed some things, but the love for you remained the same. My heart goes out to you and your family "Marty". May God give you the rest that you so passionately wanted here on earth there in Heaven. May God bless you to rest in sweet peace at His feet.*

“ *To Mardell's Family, please accept my deepest sympathies for the loss of your loved one. The words at Jeremiah 31:13 are very comforting because there it is shows that God will turn our "mourning into exultation" that is a truly comforting promise. One day there will be no more tears or pain or suffering or death....please let your good memories comfort you at this time.*
