“ *RIP Mrs Dicks.*
Your were my most favorite supervisor ever. Always fair, and I was always enjoyed hearing your voice asking me to come into work on my off days. Just feeling the smile on your face.
You will be missed

“ Words cant describe how wonderful of a woman she was. A strong little ol lady in my opinion. She was always able to listen and was a great grandmother, wife, friend, sister and all of the above. It came as such a shock to me and my heart and prayers go out to the family in there time of need. But I know that shes resting now not suffering anymore finally at peace but she's watching down over her family.
