“ *To the entire family and friends of Margaret's. From Re-Nay, I met Margaret and Margie (Marjie) when we were 11 at my God-Sister's C. Yvette Hawthorne's slumber party on Witherbee. I also watched Maurice (Petey) grow up. When their Mom passed away I was so sorry, she was beautiful. There has been other tragedies in this family but this is by far the worse. My granddaughter Ke'Asis is having a hard time dealing with the way Margaret died. She told me about it when she came in from school, but I didn't know it was Margaret. My God-Sister Cheryl Martin Bolden, had sent me an e-mail from Mississippi asking about it, and then I had to put 2 and 2 together and that's how I found out. My granddaughter was a passenger of Margaret's on Tuesdays and Thursdays and she really loved Margaret just like a lot of other students. When someone takes a life it doesn't just affect the dead, there is a whole nother network of people who suffer. I could name names but I have to respect their privacy. This really angers me, now my granddaughters don't want me to sit on my own porch. I am going to get them past this, but who's going to help all the others? To all of Margaret's family and friends you have my deepest sympathy, my prayers are with you all including Sam and Nina.*

“ *To the Earnest Family:*

*My deepest sympathy and heart goes out to you in your time of bereavement. Khadijah rides the brown bus to Hamady which Margaret drove everyday. It is such a tragic circumstance for everyone. But we know God as our comforter. He's able to stick closer than a brother. Call on Him, He will answer!
You are in my prayers!*

“ *Hello my prayers are with the family. Fatty was a loving, caring, compassionate, sweet, nice and the list could continue forever... But to the family know THAT GOD NEVER MAKES NO MISTAKES. God only picks the best flowers for his garden and trust me SHE is fine..... This what we live in right now is hell and it can't get no worst.. She has no more pain, worries, or no more tears.. My prayers are with you all.....One more thing for whom ever else may see this tell whoever is going around killin people.... god is the Author, the Editor, and has the Final copy of the book of life so they havent won or proven a point...If they are that angry the need to go to IRAQ and kill where they are needed and let the real men come home...*

“ Hi Margie and Earnest Family,

I was really saddened when I heard of the lose of your sister (Margaret). Even though this is a heartbreaking time for your family, God is a comforter to all of those who call upon him in times of trouble.

It goes without saying that he will sustain us and wipe away all our tears.

May God Bless and comfort you. My prayers are with you and your family

“ We were once the best of friends in our chidhood days, somehow that all faded away. I guess we just got tooo grown for ourselves. But she always remained in my heart no matter what. I was sadden to hear that her life came to an end. I had to be there to see a friend go away, but you all do not stray away from your friends. Especially the ones that you knew meant a lot.

Sooo! Margie, Petey, Tony, I still love you, and I will always keep you in my heart.

May the grace of God be with you in your time of sorrow. God said,,
