“ *Miss Hardy was one of the most vibrant people I know. I loved her wit and her honesty. She kept me on my toes. I love you and I will miss you.*

“ *Although we only knew Margie a short time, we came to love her greatly. She really touched our hearts as well as Donna's while they were roommates at Willowbrook. I'm glad we were able to take her coffee and donuts at Halloween time, and we will miss her smile. I know she is in a better place now. Take care.*
