“ *Margo was my hair dresser, when she was doing hair in her basement. I would go every two weeks to get my hair done. I feel in love with her, I was tender headed, I would cry; she would laugh at me so hard until tears come. we would talk about everything. She was a special person to me & my grand daughter Diamond; she also did her hair. When she stop doing hair in her basement , I cried . I called her up to ask who was going to do my hair;because u know no one going to put up with me like u do; she laughed & said " I find someone", she did.
Am going to miss you dear friend; but u rest now in JESUS ARMS my child!!!!*

“ When I was going to hair school Mrs. Margo was one of my instructor. I remember when I was having a bad day and she had talked to me. Mrs. Margo was a sweet woman. She always had a smile on her face and she always told me not to never give up on anything. When I had to stop going to hair school I had explained to her why I had to stop going. When I seen her at a store I told her that I had my associates degree and she said congrats and to keep going to school. I am going to miss her so much.
