“ *I would like to send my prayers to the family and friends of Ms.Marguerite.She was an senior companion at the Center for Gerontology and her presence was recognized the times she was there as well as when she wasn't. I gained more than a person that would assist in helping others, and sharing positive words to those that needed them.I gained a friend and a grandmother. She will be missed but not forgotten.*

“ To: Donald the girls, grandchildren and the rest of the family. Ms Wall was a "Sharp Sista", Her taste was impeccable and her appearance was always immaculate. I remember when she worked at Winkelmans. When she worked there that was my favorite store. She made the shopping experience a pleasant one. She always took time to help coordinate an outfit and made sure that you were satisfied with your purchase. I thank God for allowing me to meet her. Ms Wall had this warm welcoming spirit that made you feel loved, part of her family. She was always kind to my children and myself, calling them her grandchildren and treating me like one of her daughters. We love you and pray that you find peace during this time and remember to, "Trust in the Lord with all thine heart, lean not to thine own understanding. In all thy ways acknowledge Him and He will direct your path".
