“ Sending sincere condolences and heartfelt prayers to her family. Maria and I attended High school together. She was always so sweet and kind. Even after we graduated when I'd see her from time to time while.hoke visiting she was still sweet and kind. I pray her sweet soul rests in God's hands and He covers her family always.

“ I'm not sure where to begin. We met in the 6th grade. My parents moved on Pierson rd 6 houses from Dupont, across from Dukette Catholic School. You kept calling me "the other white girl" . I would only see you on the bus, as none of our classes were together. Then freshman year we had 1 class together. We became the best of friends. I was always at your house,or you were at mine. You then became my sister for life. You were Douglas's God mother. And the 1st person to hold Chris when I had him. We had some years where we talked but not hung out . I was building my life with kids and husband, and you were building a life with JT. Then some more good ,bad and the ugly happened between us. NO MATTER what we had going on ,we always made up and talked. I miss you so much already. I'll love you forever my sister
