“ You are in our thoughts and prayers. We grieve with you in the transition of such a loving, special soul. However, Our God has promised to be with us always, to wipe away all tears from our eyes. He has promised to bind up our wounded spirits. He has promised to give us peace in the midst of our sorrow. Our God has promised and His Word will not return void. Lean on Him for He is our refuge and strength.

“ May God comfort you Leneer, and may it be a source of inner strength to know that there's a loving God watching over you and that, throughout this time of need, He'll stay close by your side...you never are alone, you know, when sorrow comes your way, for there are those whose thoughts and prayers, are with you every day. May it comfort you to know that many others, too, understand the loss you bear and sympathise with you. With love and sympathy for you and your family, but joy for your mother who is now with her Heavenly Father.

“ To Dallas and Angie,

Being an only child I was always amazed at the size of your family. But now that I am a hardworking, dedicated, mother of 3 children I am not only amazed but highly impressed by your mother's work.

Mrs. Lenear kept a neat and clean home, filled with love, discipline, and God fearing, educated children. Not to mention she kept herself looking like the object of perfection at all times.

It may seem easy to do, but believe me, that is a job in itself. Your mother was a tough act that I truly want to follow!!

Mrs. Lenear departed your family with character. She will truly be missed.

Be thankful and carry on her legacy.

I love you both,

“ 'Mama Lenear' was so very special to me. I am so honored to have been called 'her Dallas son.' Her spirit, warmth, caring heart, and gentle conversation is something that I will cherish forever. She is now in Gods presence. I stand in honor of her and I stand with all of you during this time. I will always remember her telling me everytime I walked into a room "Sit down Renick!!" May her voice continue to permeate the air and may God continue to shower you with his abundant blessings.

“ You have my heartfelt sympathies and condolences. I know firsthand the emptiness of losing a parent. Only God can heal a grieving heart. You can find comfort in scriptures, prayers, family and friends. Always keep your mother's spirit alive and rejoice in knowing that she is in an awesome place called Heaven. Praise the Lord! Much love and comfort to you and your family in all the days ahead. I'll keep you in my prayers.
