“ *Marilyn was a wonderful person. She used to always say "I'm gonna keep it real", and she was the most real sista I ever knew. I loved her and she made a great impact in my life. I will always remember her and cherish the time we spent together. She was my sounding board, a confidant, and a true friend. She will always hold a special place in my heart and she will be truly missed.*

“ *What a wonderful person, that loved her children and mother. We had many long talks. She will be missed, a world without Marilyn's smile.....*

Marilyn had a huge heart! The world is worse off, because she is gone.

It does my heart good to know she is in Heaven, picking out the street to live on and I will see her again, I am sure she will be there to greet me!
