“ *To Marilyn's Family;*

I have worked for Beecher Schools for the past nine years; for the first four or five years I knew Marilyn only in passing. We always greeted each other and talked very briefly, but two years ago I got the opportunity to work very close with Marilyn in the Head Start office. We became friends. I loved working with Marilyn and getting to know her personally. We became friends and confidants. Marilyn trusted me and I trusted her. I was in shock and truly saddened when I heard that Marilyn was gone. I will truly miss her. God bless your family. I will be praying for you.

*Sincerely,
Kathy Baker*

“ *I am a parent of the Beecher School District and have known Ms. Hill every since she worked at Dolan as a secretary. I was told by her everytime she seen me that my 6 yr old remind her of her child that is around 5 or 6 because they both have those big eyes. I am truly saddened to hear of her and her baby's death and will be praying for her children and family.*
