“ Today, my family learned by phone of Mario's passing. To say I am saddened by this news is an understatement indeed. He and I worked together in the 80's and 90's to help Flint's youth acquire their education and expose them to options that would launch them on successful career paths. Over the years, Mario honored numerous requests by me asking for his support to host students as interns in his firm and for his faithfulness, I remain grateful and will always remember him fondly.

May he rest in peace and may his beloved family, close friends and clients find comfort in knowing that Mario rests in the arms of a loving God. You are in my prayers. God bless you all.

“I am Minister Dorsella Hannah Reynolds who worshipped with Mario and Ava Daniels for several years. I was blessed by Mario brilliant mind and compassion and on one occasion, I will forever remember, while I attended UFM-Flint, I was preparing an essay for the CEW (Continuing Education for Women Scholarship) and needed it typed up again as with 2 attempts I was displeased and Mario requested me to bring my essay to his North Bank lovely office downtown Flint and his Secretary would assist me. Because of his deep insight and generosity, I received the CEW Scholarship of \$3,000. May the peace of God comfort the family of Ava and Debra Daniels. You are in my prayers.

“ *Mario, truly one of the "Greatest Of All Times". A beautiful man that always made you laugh even during the very rough times. Thank you for your willingness to share your knowledge to make life better for your family, friends, and your community. We have been friends since the first week on the campus at Albion College. My first roommate during football camp and we struggled through our economics class together our first term at Albion. The class fueled Mario and sent me packing to a major in Sociology. But that was the true nature of Mario. If it was something he wanted he found a way to persevere and succeed.*

To the Daniels family you all have my deepest sympathy. And Dana I know how close you and Mario were. Nothing like a brother love for one another! Mario was a pillar in the community. Always helping people out. I've know him and Dana since I was 14 years old. They always showed me the upmost respect. Mario you fought the good fight. You finish the race. And now you are walking around in God heavenly mansion. Where the streets are paved with GOLD. You will always hold a special place in my heart. I will never forget you. The Daniel family I and my family will keep you all in our prayers. God Bless You All. Tanya R. Neely and Family.
