“ Dear Michael and Chucky's One Loves,

I am so very sorry to hear about the passing of Chucky. I will always remember the many laughters he gave to me and to others. In this time of sorrow please remember the following:

God gave Chucky a list of things, that he wished for Chucky to do. And foremost on the list, was to watch and care for you. And when you lie in bed at night, and the day's chores put to flight. God and Chucky are closest to you...in the middle of the night.

May each day bring you strength from the heavens. And may your smiles keep Chucky's smile alive.

“ To the family:

I am so sorry to hear about the passing of Marion. It seems like just the other day we saw each other, after not seeing one another for years. We hugged and caught up on old school memories. He was such a blessing to see again and speak with. Some monthths back,he saw these girls at the hotel when he was attending his nephews party, and knew they looked like somebody he knew. I am so glad they had the pleasure of meeting him. They said he was so much fun!!! I knew exactly who they were talking about when they described him. You just had to smile when you saw him coming. He will TRULY BE MISSED!!! May you all find peace,joy, love & rest in his memories. I know I sure will.
