“ *The many lives she has touched and inspired shall never be accounted for, but her legacy shall forever remain in your hearts. Dr. Pyatt and family, I was deeply sadden of the passing of Mrs. Pyatt. I can remember when Mrs. Pyatt and you came to my open house, that my mom Daisy would have in her back yard , which she enjoyed doing so she could have all her friends over. That is when I met Mrs. Pyatt and she gave me words of encouragement that I hold dear to my heart. I pray that these few words will sustain you, and be assured the HE WILL BE THE ONLY SOURCE OF LASTING COMFORT FOR YOU. Forever in my heart, Michele and Family.*

“ Our deepest sympathies are with the Pyatt family--a beautiful branch of an even larger, but strong family. We offer our prayers and support. When we were all together last August in Baltimore for our reunion, little did we know... We are sad right now, but we pray that God will comfort you, for Earth has no sorrow that Heaven cannot heal.

“ Dr. Pyatt, I was saddened to learn of your wife's passing. My sons (who you delivered) and I have you, your children and family in our prayers. I discovered that by surrounding my children and myself with prayer, family and good friends, we have miraculously been able to somehow cope with the loss of my husband and their father by taking it one day at a time, and walking by faith. May God Bless you, provide strength, solace and comfort to you and your family during this difficult time.
