“ Did you know that God promises death will be no more. There is an encouraging thought found at Isaiah 25:8 which says that God will swallow up death forever. I hope you find this thought encouraging. One day we wont lose our loved ones in death.

“ My Family and I would like to express our deepest sorrow for your loss. Death is very painful. Such a nice person. For the family please remember the resurrection that Jesus promised in the Bible at John chapter 5 verses 28,29. "in which all that are in the Graves will hear his voice all come out". Then in chapter 11 of John, his friend Lazarus died. Jesus Called him out of the GRAVE. Giving us assurance of the power he had been given from his father. That whole chapter is very encouraging and builds faith in the resurrection. That are nine other accounts in the Bible of the dead being raised up. These are examples for us today. I hope these scriptures help the Williams family thur these dark times as they have helped my family. The E. Traeye Family
