“ *To Marks family and children I would like to express my sorrow at his passing. He was a good man and he loved his children. I will miss hearing your goofy laugh and seeing your contagious smile. Your son Alex looks more and more like you every day. We will mourn you and miss you....but we will never ever forget you!*

“ *Mark Ima miss you. Remembering all the good times we shared, especially the times we went up north and floated the river. I really got to know you when you went away for 10 years and we wrote each other every week. You were a good man, with good morals, a heart of gold. If anyone needed anything especially your son you provided it. You did what you had to do. I know we bumped head a couple times but that is only because I was looking out for your best interest. You never disrespected no matter what we was arguing about. Love you BRO. Everyone is hurting. MISS you MARK. Until we see each other again, Sleep peacefully.*
