“ I send out my deepest condolences to the Muhammad family. As one door closes another shall open with a wonderful light that shall invite all whom pages have turned onto another.

*My joy and laughter shall be still in our time of sorrow. I know Mark would have many more words of spirituality, knowledge from near and far to share with whomever he was lead to be with.*

*I always felt like a child yearning to learn more whenever we talked on his vast journeys and local adventures in his help for the community.*

*As said often but not forgotten, "Hey man what's happening"*

*Peace my Brother [cousin]*

*I love you man!*
