“ Man I'm going to miss you so much old friend. We used to be together so much and told people we was brothers, till they really believed it so much till we actually believed it ourselves. You was more than my big brother and best friend. Words couldn't even describe our bond and loyalty we had for each other. We partied every single day from time you got off work till it was time for you to go to PT. Hawaii was like our own personal playground. We was well known and well respected on that island by the locals and the military 🤔👤👤👤 especially at the clubs for your dancing (the stinky leg) We was so wild and had so much to live for. I'm going to miss you Amp I'll see you again one day . I love you bruh... 😔❤❤❤
