“ *To the Arnold Family:  
Please accept my sincere expressions of sympathy in the loss of Markus. He was truly a dynamic young man who I had the pleasure of meeting through my sisters, LaToya & Ebony Thompson during their high school years. I remember Markus with the Gamma Delta Kudos and he possessed a magnetic personality. I'm sure it goes without saying that Markus was a loyal son, brother, father, grandson, nephew, cousin, and friend.*

*Continue to look to the Lord for peace and comfort during this difficult time.*

“ God bless the family of Mr Markus Arnold. My heart goes out to you all cause as well as you lost a father, son, brother, uncle, nephew and cousin, we lost a great friend of the community. Markus was a guy that I wanted my sons to be just like, young man with an old soul, the type of guy that you would meet and think he was about 40 or older, wise, mature just well put together. I will truly miss him and that vibrant-glowing smile that he always had on his face. GOD BLESS YOU MARKUS and to the family you are in my prayers.

“ God grant me the **STRENGTH** to accept the things I cannot change, **COURAGE** to change the things I can, and **WISDOM** to know the difference!

*Words can't express the way I felt when I received the phone call on Sunday night telling me that you were gone. I kept praying that it was a lie hoping that at any moment I'd get a call from someone saying you were okay, so the next time my phone rang I answered it, but the person on the other end was in tears, so I knew it had to be true!*

*Now I can't stop crying and I'm stuck trying to figure out how to say goodbye to someone who meant the world to me; someone who was not just my brother but one of my best friends! Everybody in Flint knew how close we were but no one knows how I feel. Even though I moved to North Carolina I always looked forward to coming home and seeing you. I couldn't wait to hear you say "come here girl" and wrap your arms around me giving me one of the biggest hugs I'd ever had. It was something about your hugs that comforted me and now when I need one the most you're gone!*

*I really can't explain the pain or the anger that I feel...so the only comfort I have is knowing that now you're in a better place. Every time I close my eyes I see your face, your energetic smile and I hear your silly laugh! The world is full of bad people but it's the good ones like you that always go, so I find myself asking why?? I remember all of the good times me, you, Andre' and Marlon had. Whether it was catching a movie, riding around in your car or just kicking it over my house eating nachos, we were all inseparable; and to this day we still remain close, so I am sure that I speak for all of us when I say, it won't be the same without you!*

*Thank you for being a part of the memories, the laughs and the fun; but most importantly thank you for allowing me to be a part of your life and for loving me unconditionally. I truly am a better person*

*simply because I knew you!*

*I know you're in heaven smiling down on us and as you approached the pearly gates I'm sure you were wearing one of the baddest brims any of the angels had ever seen! As a matter of fact I can hear God saying, "Young man you can't come in here with that hat on, give that to me?" and you replied to Him saying, "No disrespect God, I'll take my hat off, but it's staying with me! I miss you so much Markus and I LOVE YOU MORE THAN YOU'LL EVER KNOW so I've decided not to say goodbye, because it sounds too permanent. Instead I'll say what we always said when we left each others presence? I'LL SEE YOU LATER! R.I.P. Big Bro?until we meet again?"*

“ *He was a real good friend. I enjoyed being around him. He was a very positive person. He made things happen. I know I will never meet a person again in this life time like him I am glad I had the pleasure of being in his presence. I loved him like so many others. He will be sadly missed. Hang in there family remember he is now in a better place.*

“ *We will understand it by and by. Markus was a wonderful man. I have known him for a long time and whenever I came across his path his greeting was always the same. A kind "What's been going on" and a warm hug. He was the knid of guy that a young male could look up to. We have truly lost one of Flint's good guys. My thoughts and prayers go th his family. Hold to your faith and God will give you peace. I am sad that I will not see him again for a while but happy to know he is with Jesus now! May God Bless and be with all of us during this time.*

“ My favorite uncle. Just looking @ him would brighten my day. Looking in the mirror hurts, knowing I look like him. I was so proud of my uncle....he was at a wonderful point in his life, enjoying being a father, businessman,uncle, brother, and most of a friend to many many many wonderful people. He was my shoulder to lean on, now who can I lean on? He was going to walk me down the aisle when I got married....I have met some wonderful & outstanding people because of him, I hate that I have to see these wonderful people hurt the way me & my family are. I could go on & on about my favorite uncle.....thank you to everyone for all your love & support @ this time.....never in a trillion years.....love u uncle Markus....forever

“ I wanted to express my deepest condolences to Markus' family. I worked with him more than 10 years ago at the former AirTouch Cellular (now Verizon) and would run into him every once in awhile. He was always upbeat and friendly and everybody loved him. He always greeted me with a big smile and a warm embrace. The Flint community has lost a fine young man and it is a real tragedy. My prayers and thoughts are with the family at this time.
