“ *To the Williams family and friends,
I wanted to offer my deepest sympathy and condolences to you for your great loss. I did not know Mrs. Williams personally. I merely wanted to offer some measure of comfort in your time of deep sadness. I'll start by saying that this is and was not God's intent for us all in the beginning, remember? He told Adam and Eve at Genesis 1:22 Jehovah said be FRUITFUL become many. He didn't say get sick grow old and die. This shows you how Jehovah felt about life. Now what about death? How could a God of love allow these great tragedies that we see going on around us today? Psalms 37:1 tells us not to get heated up about these things. Why? Verses 9-11 explains. Now the hope for those that we have fallen asleep in death, what about them? Revelation 21:4. If you have still more questions please take a look at the official website www.jw.org.

“ *I would like to send my condolences to the family. When someone we love dies, it's very painful. But the Bible talks about doing away with this pain at Rev 21:4. May the God of comfort, comfort your family at this time.*
