“ *I remember the time when Marlow, Byanca and I went to beans and cornbread for dinner we had a nice time, laughing and just being in good company. Marlow and I would talk on the phone for hours at a time just kicking it. He would always check on me to see if I was good. Best friend you truly will be missed. Love you rest peacefully*

I meet Marlow at Lear. We became friends quickly because he would talk about the upcoming wedding. He was so excited about his soon to be bride. His kindness and talkative personality has truly been missed. RIP my friend. I knew you were not ready to leave earth, but God had other plans for such a wonderful person. Much love to the entire family. You all have been in my prayers.
