I've been so brokenhearted since hearing about the passing of my dear friend. Marnell and I had a bond that was so strong and so deep. I've loved this man 30 years through everything. He was the man who took me to my prom, he was the man that spoiled my children when they were small. I loved him deeply and I pondered over and over about coming today but I just couldn't bare so I will remember my friend forever as I knew him. He absolutely loved me unconditionally and those who know they know! To Mother Ann & family I bare your pain with you, I'm praying for your strength after the dust settles, I truly love the Wright family and again those who know they know! I will forever cherish the memories and pray for you continually! Love you Mar, rip my friend.
