“ To Jean entire family, This comes to you with my deepest sympathy to say so many warm and caring thoughts are with you for the loss of someone very dear. And may it somehow be a help and comfort just to know how often you'll be thought of through the days that come and go, asking God to bless you with courage to bear the sorrow you feel. Their are time i think of the many laughs Jean and I shared and smile. A beautiful, fun, loving person, that's Jean.
