January 16, 1964 - May 31, 2021

WELLS, Mr. Marvin Maurice - Age 57, passed away Monday, May 31, 2021 at Hurley Medical Center. Family hour 1:30 PM Saturday, June 26, 2021 from the Chapel of Lawrence E. Moon Funeral Home, 906 W. Flint Park Blvd., with memorial service commencing at 2:00 PM., there will be no public viewing. Marvin Maurice Wells born January 16, 1964. He passed away on May 31, 2021. Marvin grew up on Dartmouth St. and attended Garfield Elementary School where he was a proud Crossing Guard. He also attended the old Northern High School until he was bused to Central High School to play basketball. Central was his first real school team he played for. Although we didn't have a church home we visited his dad's church, Mt. Calvary Missionary Baptist Church and had planned to visit his mom's (not sure of the name). Although he played basketball he really wasn't into sports. He use to just watch to kick it with his friends. Marvin did love fishing. He was a family-oriented man. Marvin loved to spend time with his family and friends always tried to teach the kids right from wrong. He always told me that the biggest word in life was CHOICES. Marvin was my better half and we learned from each other. He had a heart of gold and would look out for others more than himself. Marvin was full of love and laughter. He lived his life and praised God & Jesus Christ He was a God-fearing man, a warrior for his Lord. Marvin never gave up. Marvin Maurice Wells leaves to cherish his memory: wife, Sue Wells; daughter, Jasmine Clark; sister, Sonja; brother, Eddie; in-laws, Tim (Tina) Rice, Carrie Cowper and Thomas Cowper; a host of nieces, nephews,

other relatives and friends. Marvin was preceded in death by his parents.

“ Over the last year, I've given a lot of thought about what I wanted to say about Marvin's passing.

*First, my name is spelled with a "z" but that is not much of an issue.*

*Second, I wrote these stories to come to terms with this loss.*

*Third, calling him a "family man" is inaccurate, at least for me. He never wanted to be part of my life, and pretending he was part of it hasn't sat well with me as I struggled to process all of this independently.*

*Lastly, here is the work I wanted to give him before trauma eroded his life completely, and being unable to do so has been corrosive to my mental health over the last year.*
