“ *You know I'm sick, right!!! I can't believe you left me like this!! I literally can't function today at all! I talked to Grandma Jo, and I told her I'll be to visit her and on the regular because I know that's what you would expect from me!! You messed me up with this one bestie! 😞 I'll forever remember our deep conversations and long talks, the crazy things you use to say and voting on our food choices 😊 I can't believe I won't hear your voice again or see those dimples when you smile!! Get your rest baby and Jawz got granny!! Love you forever 💙*
