“ I've known Mrs. Brady all my life. Deborah is my only God Sister and I love Tracie just the same way. My heart is broken for this Family because over the years they have become my Family. Mrs. Brady always had a flair for fashion and her cooking was always good. I remember the nights as a kid spending the night at her house and watching the UNCF telethon and she'd always prepare a snack for us. Rest in Heaven 🌸 I shall never forget you and the love You had for my Family.

“ *To the Brady Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
