She was always a pillar in the community of Flint and I appreciate her always looking out for me since 1982 when noticed me and I didn't even know she was watching and looking. I'm here to tell you, they don't come like her any more and I will definitely miss her. When I thought she was no longer paying attention, she would text me. My condolences to her family to a servant of the community and God opening the gates for her to enter. Blessings to the family.*

“ To Mrs. Coleman’s family and friends, I had the wonderful privilege of representing UM-Flint on the MLK Dinner Committee. Mrs. Coleman was not only a leader, but she led with care, concern, and compassion for the community, for the student scholarship recipients and essay winners. I am so sad that she is no longer here with us, but rest assured that her legacy will certainly live on.
