She was greatly loved and will be deeply missed.

“ Yes. I'm Jasmine Williams and this totally caught me off guard, I've been Mary's coeworker for Teachout security and we've been working at the same school for some time now and it was always a bright smile, or having something to joke about, to us running to see what the lunch lady Ms. Grace had to offer us!every time I walked through the door! This lady always kept her hair did! She would always say, “when I get off work this Friday! I'm going to get my hair done” lol and we would always laugh. And I would say sometimes coming in “Dang Ms. Mary the kids like you more than me!” As in the kids always gifted her with something flowers, or even pictures they've colored. She most definitely loved and enjoyed the kids even her grand kids she always spoke about she loved these kids so much and it showed every time! Treated them as her own! ! Just recently I had applied for an apartment as well, and I walked into work and told Ms. Mary cause she just always had the right/encouraging words to say! And she just stated to me “ The lord said you got your apartment it's already said and done!” And I took that in and I came back to work screaming it to her “I got approved! I got approved!” So I know you made it to the gates of heaven Ms.Mary you were approved to the white gates! With an well done! She was so compassionate and a nice lady I've encountered with im glad I had the opportunity to meet someone so kind and understanding. Literally breaks my heart hearing this.

“ Wow, Im still struggling with this news! My Big Cousin Mary never let a conversation we had end without her saying she loved me ❤️ Those 3 words meant so much to me! I am so thankful to have had the pleasure of being family with you. And also thank you for giving birth to one of my favorite Cousins, Mia!!! But you can rest now Cousin your kids are down here handling the business just as you taught them... You would be so proud of their strength at this time. But Mia told me Saturday as she hugged me tightly... She said, "My mana was a good Mama" and I see no lies detected in that statement. So if you can leave this Earth and thats what your kids have to say about you then you have done a job well done! Get your rest Big Cousin... I LOVE YOU MARY JONES

“ *To the Jones Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
