“ *Watch what God does, and then you do it, like children who learn proper behavior from their parents. Mostly what God does is love you. Keep company with him and learn a life of love. Observe how Christ love us. His love was not cautious but extravagant.*

“ *I will always remember your mother's smile from when i was a little girl growing up on Austin street. Keep looking towards the hills from which comes our help. My deepest sympathy and heartfelt condolences.*
