Ms. Mary Magdalene Peoples affectionately called “Tu-Tu” was born January 23, 1936 in Verbena, Alabama to the union of Mr. & Mrs. Robert & Estella Price. She was the youngest of two children. Mary was a kind and loving person to all that she encountered. Mary attended and graduated from the Fairfield Public School System located in Birmingham, Alabama. While she was yet in her youth she gained employment at Jefferson Hillman Hospital which sparked her interest into the medical field. Following her brother Moses, she relocated to Flint, Michigan where she gained employment at Hurley Hospital. After 30+ years she retired as a senior Nursing Assistant in 1985. Upon retirement, she was self-employed as a private duty nurse in the Genesee County area. Shortly after arriving in Michigan she met and married James Edward Peoples. God blessed this union with two children Kevin and Arnenia. She has been a long standing member of the Mt. Sinai Missionary

Baptist Church under the leadership of the late Reverend James Montgomery, and her current pastor, Reverend Morris Collins. She served on the Nurses Guild until her health failed. She enjoyed working in her yard, cooking and spending time with her grandchildren, family and friends. In 2011, Mary was diagnosed with Pancreatic Cancer but she didn't allow this illness to keep her down. She fought a long continuous fight until the very end. James 1:12 says, Blessed is the man that endureth temptation: for when he is tried he shall receive the crown of life, which the Lord hath promised to them that love Him.

“ Happy Tears....

Formal education, has a way of rewarding. The most gifted and talented amongst us. With a scholarship, to a prestigious university. I have learned, the most precious lessons in life. Are not learned in school. What university awards degrees in kindness and compassion? Some lessons in life. Can only be learned outside the classroom. Allow me to introduce. One of the greatest teachers I have ever known..... My Precious Aunt Mary! She was truly a remarkable STRONG woman and a WARRIOR. She battled pancreatic cancer. For nearly 5 years. Even though her doctor's forecast . Was barely 6 months! A few months ago. My Aunt . Who was almost 80. Was the primary care provider for her mother. It was so important, to my Aunt. To see her mother turn 100. My Grandmother turned 100 on June 10th. That's when my Aunt's health. Started a swift decline. My Aunt always gave so much! Never expecting anything in return. If you showed her . Even the smallest act of kindness. She would silently cry. While reminding you, they were "happy tears". She transitioned, the same way she lived her life. Never wanting to be a burden to others. So she slipped away from us. Peacefully and quietly in her sleep. My Aunt taught me the importance of being , not just kind. But compassionate as well. My Aunt also taught me the meaning of "happy tears"! And the tears, I shed for her. Will ALWAYS be "Happy Tears"!
