“ *My condolences to the family. The death of a loved one can cause a deep sense of loss. Death was not a part of God's original purpose for us. Jesus gave his life so that we might live forever as Jehovah purposed from the beginning. This is his promise at Rev. 21:4 "And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away".*
