“ Dear Family,
I am deeply sadden for your loss. Although no words of sympathy can ease the loss you bear. I pray that you find some comfort knowing that I have you and your family in my prayers. Memories remind us that we have loved and been loved, and that our lives were touched by someone very special; but loosing a mother is especially difficult.

To the children,
your mother is still with you. She sees your tears and hears your good-byes. And she loves you, even in heaven, she loves your so much. Stay strong.

“ Dear Family, I am deeply saddened to hear of the loss of your dear loved one. It is very hard to lose a cherished loved one. May it comfort you to know that Almighty God promises to "swallow up death forever and wipe the tears from all faces" (Isaiah 25:8). It is hoped that your family draw strength from this promise and that God will continue to sustain you at this time of grief.
