“ *Ms. Mary Lou was one of the strongest ladies I have ever known. She was a treasure trove of knowledge, which she willingly shared. From health to fashion, from life lessons to religion. Her love of her children and of her love of God were legend. She fought a good fight, she finished her course and now she rests in the arms of the Almighty. When we all get to Heaven!*

“ Mary was a great friend who loved and cared about family. Our friendship began when we worked at AC/Delphi. After retirement Mary moved up north to Idlewild. My husband and I had a cottage in the area. During summer months we always spent time together enjoying the festivities. My entire family loved Mary. May God bless the family.
