“ *I would like to express my deepest condolences to the family and friends of Sister Mary Tate. She always represented strength, grace and commitment. I first met Sister Mary in 1990 when she came to be a caregiver for me after my accident, she was very persistent and inspiring as she did so. I was also recruited by her in our Sisterhood, this was such a privilege for the both of us. I will surely miss you Sister Mary, and will always keep you near and dear to my heart.*
