“ *"To know her was to love her"*

It is so hard to say goodbye, but we do want to thank God for allowing Alice to be a part of our life. She was a special cousin, and we will forever cherish the good times we have had. Our love and sympathy is with you all. We are so sorry we were not able to make it, but her sweet memories will live on in our heart. She fought a good fight, and now she's at rest, God giveth and God take it away. We loved her dearly, but God loved her best.

“ *sorry we were not able to be with you all. Alice was very special to me and my kids. We had so many laughs. I didn't know that it would be the last Christmas she would spend with us, but I thank God for the time he allowed us to be with her and pain she have no more. I will always remember her beautiful smiles and the good times we shared. You all hang in there and God will give you the strength you need to get through this. His word says he will put no more on us than we can bear. Love Darlene&Kids*
