“ Hilda your mother is beautiful I can see where you got some of your looks.
I know that she will be dearly missed but I also know that she is no longer in pain and suffering. She is with your father and her parents and they are talking about things that have happened since they departed. I love and prayers will always be with you and know that I am here if you ever need a friend. Hugs to you my friend and please know that it will take a while before it will be easier to talk about. I know that you will always have reminders of her and miss her but that is ok. Love to you my friend

“ I did not know Mary personally but I know her daughter Hilda and how much she loved and respected her parents. I know that her parents are together now and in the Lord's arms. May he give comfort to the family and help them to rejoice in a life well lived.
