“ To the Parks & Family: with sympathy during this difficult time as you remember your loved one. A comforting word to make it known, in your hour(s) of sorrow you are not alone. You are in the thoughts and prayers of those who care very much about you. May you find peace and comfort in your loving memories. Thinking of you, may God be the glory.

“ Keep your eye on the Lord and He will see you through this. We are so very sorry for your lost. There are really no words to express the pain you feel inside. Please believe that this intense pain will not last always but there will always be an empty place in your heart that will never fill, but you have to keep going because the other babies need you. Look to them for strength because they need you now more than ever.
