“ *My thoughts and prayers are with the family at this time. My sincere regrets that I could not be with you in person. I will cherish the times that we were able to spend together.*

Even though Mattie Lee was unable to talk to me during my visit last summer , hopefully she was able to hear my voice, as the care facility personnel indicated.

God Bless you and comfort you each day.

“ Dearest Naomi & Family,

I was really saddened by the passing of Mother Mattie Elliott.

She was a wonderful lady full of wisdom. I think one of the greatest things I admired her most was the fact that she loved God with all her heart, mind, and soul. It's a great comfort to know that she is resting peacefully at home a place we will have to see one day.

Mothers are jewels and we cherish them with loving memories.

You and Your family are in my Prayers

Love You Much,

Sis. Loria

We will treasure the times that we spent together, and how she use to cook those big BIG meals, especially the " CHUCH " she loved to have family gathering to fellowship. WE Will continue to pray and fellowship together, so we will see her again.
