“ *Grandmother you will be missed. You have left a great impact on the world. Your acts of kindness and showing love will always be remembered. Most of all we will all remember the love you have for God. A faithful servant you were. Your light shined continuously. You will be missed dearly. If such a thing is possible, tell Rev(Reb) and all of those who passed before us, that i said hello!*

“ To the family and friends please accept my deepest condolences. There really are no words to express the heartfelt sadness one feels when a loved one falls asleep in death. May the God who is binding up the brokenhearted and comforting those mourning be of comfort to you during this most difficult time. (Isaiah 61:1-2)

“ I will always remember the time I spent with you, the oatmeal breakfast you made us when waking up at 6 o'clock in the morning. I enjoyed you coming onlong on the picnics in the park, the smile you gave as you watched your grand kids play. I know you had to go home but always remember that I will always love you.

For now I say goodbye grandma until we see each other once again.
