“ A message to my Queen!

*Mom you're the butter on my bread, I will forever miss taking you for rides, shopping, and on vacations. You was in my vehicle as much as I was. It seems strange to drive without you on my passenger side.*

*It's been great having you as my queen, my mom and my friend. The lord knows what best for us all. I thank God for allowing me to be a GOOD STEWARD in making right choices and putting you ahead of my life. He gave me enough strength for me and you.*

*I thank God the most that you are resting, at peace, with the angels above. The lord chooses the best. He didn't bring us here to stay mom, instead of saying good bye, I will see you later.*

*Always & Forever my Queen!
