“ *To Ms. Mauricia Christensen Family,
How old is too old? How old is too young to die? I don't feel like those are the questions to be asking. Why do we live for so long and then die? Why is there death at all? Does God care? Why do he allow these things to happen? Will death ever end? The bible says at Isaiah 25:8 that death will be swallowed up. For more answers to the other questions listed and those that are not.
