“ *My most sincere sympathy to Mac's family and friends. It was a pleasure to see him as he had a smile and warm words, always, despite his condition. May our Lord welcome his newest angel with open arms.*

“ *I will miss my Cousin/Brother. Myself and my brothers Marvin, and Norman have many memories to hold on to. Mack was not only our cousin, brother, father, uncle, all rolled in to one. From our childhood to adulthood I can never forget all of the wisdom that he taught us. I'm so glad we seen each other in June and said we loved each other. May you have a peaceful rest, you are with the heavenly father and his angels. God Bless you Doris and my prayers are with you, Much Love always,*

“ Even though we did not know your loved one personally, we are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.
