“ This was my sister Net's uncle. I had the pleasure of calling him uncle Mc. I cried when I was a small child when someone said he wasn't my uncle, but he told me he would always be my uncle too. I didn't understand why my sister had a different family than I did. For me, my family was hers, & hers was mine. Thanks Uncle Mc for teaching me that family is not only blood, but a choice! Praying for our family! Love you forever Sir! ❤️🙏🏾🙏🏾

*Uncle Mack,
When ever he would come to Mobile, my sister and I would always sit and talk with him. He was the uncle that always had the biggest smile all the time. The last time we spoke about how he could get a copy of his high school year book. I really enjoyed our conversation, and asked him when will he be back in Mobile. My condolences to the Family, and I know he will truly be missed.
Love you all !!!
