“ *We shared more than blood, more than memories, secrets and our Vulnerabilities with one another, we shared a unique relationship that no title can describe! We had a God connection cuz he put us together*

*Words cannot begin to explain how I feel right now!!!!!! I had to go back to God the one that put us together to get some sort of understanding! Sooooo after a long talk with the creator, he turned the sadness of you leaving to thankfulness for what we shared while you were here! He reminded me that for over 50 years we shared so many memories and through our phone conversations that went on for hours, family functions, living with me, to our love for God there were no words left unsaid. I kept your secrets, you kept mine, I had your back and you had mine! In short we gave each our flowers while you lived! No regrets her chick love you always. Yes I know, you love me more. Trust I'm gonna be looking out for the family which you lived and gave your all to! STRAWBERRIES, private joke lol.*
