“ Aunt "Joyce" as I grew up calling her, though I knew her name was Meltonia. She was one of the best Aunt's a child could wish for. She was my aunt due to marrying one of my Uncle's. She treated all of her nieces and nephews like they were her biological relatives. Always giving, kind, and loving. Thank you for being you. You are loved, and will be missed.

I know you are home with our Lord, resting in his arms.

“ Sorry to hear about the loss of your loved one. Death is a enemy that as humans we will never get use to. In my times of sorrow I have found comfort in John 5:28,29 which says that one day we will see our loved ones again. Revelation 21:3,4 which says death will be no more.
