HAMILTON, Mr. Melvin Mac - Age 79, passed away Friday, November 8, 2024, at McLaren-Flint. Family hour 1:30 PM Saturday, November 16, 2024, from the Chapel of Lawrence E. Moon Funeral Home, 906 W. Flint Park Blvd., with funeral service commencing at 2:00 PM, Pastor Anthony Davis officiating. Interment Crestwood Memorial Cemetery, 2020 E. Hill Rd., Grand Blanc, MI. Friends and pallbearers will assemble at the funeral home 1:30 PM Saturday. Mr. Hamilton will lie in state in the Chapel of Lawrence E. Moon Funeral Home, and may be viewed from 12:00PM-6:00 PM Friday, with family present to receive friends from 4:00 PM- 6:00 PM. Melvin Mac Hamilton was born September 12, 1945 in Johnson City, TN The son of Gilbert Hamilton and Sarah Wagner Hamilton Melvin was the third child of eight children. He graduated from Langston High School in June of 1965. After graduation he migrated to Flint, MI where he went to work at General Motors Tank Plant, a division of General Motors Corporation in Grand Blanc, MI for 35 years. He was a great Committee Man for 27 of those years for UAW Local #1292. He helped all who needed his help and those who did not want his help, but was appreciated when he helped them get their jobs back. Mel met Linda through her uncle Milton, which he claims was his uncle, and they dated for five years and married on August 21, 1971. They were best friends even though they fussed at each other all the time, but as Crystal would say, they are saying the same exact thing. Mel had a good relationship with his son Melvin because they loved to cook and eat. Crystal acted just like Mel in a lot of ways and

everybody always said she looked just like him. Mel was a fun-loving guy whom everyone had a great time with, whether you liked him or not. He could make you laugh when you wanted to cry. When you asked him a question, he gave you an answer you did not want to hear, but you appreciated it. One thing you know about Mel, he was a good supervisor because he always told everybody what to do, no matter where he was. In other words, he was very bossy. But one thing I know, people will listen to him. He loved playing cards with his buddies, not coming home till the wee hours of the morning. He loved going to Soaring Eagle Casino to play Blackjack and the slots. He was good on the Blackjack tables, but he finally found the slots that he liked and he wouldn't leave until he lost all the money he won, then he was satisfied.

“Melvin greeted everyone he met with a big attractive smile! He was charming and gracious to everyone in his circle of friends and family. It seemed to me that Melvin’s God given purpose during his life was to make people feel joy and happiness. I can almost hear that “hardy and engaging laugh” that uplifted people’s spirits. Many of his friends might say in “a loving way,” that he had a charming personality.

Born and raised in the hills of East Tennessee (Johnson City) into a large family, Melvin was well liked in High School and throughout our small town. In addition to playing high school football and basketball, he sought to better his life economically by taking odd jobs in the community to earn money.

After graduating from Langston High School, he migrated to Flint to pursue a better life. Shortly after his arrival, he took a job with “Generous Motors,” as we called GM then. He soon found success as a UAW Committeeman where he helped people resolve their issues and concerns. He was highly effective in this role, given his ability to collaborate well with both members of management and his fellow employees.

Melvin was a loving husband and father who often spoke fondly of his wife Linda, daughter Crystal, son Melvin and grandchildren. This was frequently the central theme of our conversations.

It can be honestly said that he is “lovingly remembered” as a classmate, friend, husband, father, grandfather, and someone who brought joy to the world! We will miss you, Melvin Mac Hamilton!
