“ *Melvin was always a genuine, sweet and warm hearted person. He was also as smart as a whip. I was so sorry to hear of his health issues and even more sad to learn of his death. May he rest in peace.*

“ *Melvin was one of a kind. You could always count on him to speak his mind and tell you the truth, no matter how it hurt. He was brilliant. When I worked as a reporter years ago, I used to dread covering the city council meetings because they were boring. When Melvin served as Council Chair, I actually looked forward to attending the meetings. He kept them lively and never boring. He will truly be missed. He is now free from pain and at rest.* ”
