“ *We hit it off when I first met you, with your short black jacket and afro. The only thing you wanted to know was "who is this guy comming around to see my sister Jackie". I would come to visit and you would slam the door in my face and then say "Don I'm just Play'n"*
I'll miss your laugh, I'll miss my check in with your mom to find out how you're doing when I didn't see you, I will hurt with your family knowing you can't be there in th flesh.....I'll miss you.

“ Our condolences go out to the family and friends of Melvina. At times such as these we have found that scriptures such as Acts 24:15 & Revelation 21:3,4 gives us solace and hope for the future when all will be together again. We hope you are comforted as well by reading them in the future. Sincerely yours,
